Christmas Prizes for Bargains

Fifteen Dollars to Be Given This Week to Those Who Read the Tee-Dee Want Columns.

The Times-Dispatch has inaugurated a decidedly novel contest, and one which is bound to prove fascinating to all readers of the Tec-Dee

one which is bound to prove fascinating to all readers of the Tec-Dec Want Ads. columns.

Those who have been in the habit of reading the Tec-Dec Want Ads. have naturally noticed how many striking and catchy bargains are offered from time to time on this page. The object of this contest is to have the readers of The Times-Dispatch themselves decide which are the greatest bargains advertised in the Tec-Dec Want columns, and to those who pick the bargains The Times-Dispatch has arranged to give money prizes to the value of \$15.00. The prize winners will be announced next Sunday.

To the person who picks the ten greatest bargains advertised in the Tec-Dec Want columns in The Times-Dispatch to-day and on the past

Tee-Dee Want columns in The Times-Dispatch to-day and on the past Sunday, Tuesday and Wednesday of this week, The Times-Dispatch will give a prize of \$5.00; to the one who comes next nearest to pickwill give a prize of \$5.00; to the one who comes next nearest to picating the ten greatest bargains. The Times-Dispatch will give \$3.00; to the one next nearest, The Times-Dispatch will give \$2.00, and to the next five nearest, The Times-Dispatch will give \$1.00 each.

To select these bargains the reader should read carefully every Tee-Dee Want Ad. in the paper on those four days and select the ten articles advertised for sale, which, in the judgment of the reader, is the greatest value for the prize advertised. The cost of the article or its real in-

value for the price advertised. The cost of the article or its real in-trinsic value should not be taken into consideration, except in connection with its value as compared with the price at which it is offered

In sending in the list the coupon, which is printed below, should in In sending in the list the coupon, which is printed below, should be each case be used and the name of the advertisers and the articles advertised should both be mentioned on the coupon in the manner shown.

Every reader of The Times-Dispatch, whether in town or out of town, is eligible to enter this contest, and to fill out just as many coupons as they may desire. All coupons should be placed in sealed envelopes and addressed to Bargain Contest, Times-Dispatch.

The Times-Dispatch will of course, not attempt to decide itself

velopes and addressed to Bargain Contest, Times-Displach.

The Times-Dispatch will, of course, not attempt to decide itself which are the greatest bargains offered, but will leave that decision entirely to the people who enter the contest, which decision will be reached in this way: All ballots will be accurately recorded as they are received. Each bargain mentioned on any coupon will head a column on a large sheet. As the votes are received a tally will be placed under each bargain for each vote it receives. When all the votes are thus recorded the bargain which has the largest number of tallies will be placed at the head of the winning list, which is to govern the award of the prizes: that receiving the second largest number of votes will of the prizes; that receiving the second largest number of votes will follow it, and so on until the ten most popular bargains become known. Then all the coupons will be carefully gone over and that or those coupons which contain the names of the ten winning bargains in the order in which the total vote has placed them, will be considered as the ten greatest bargains. The others will be assorted in accordance with their receives to heigh covered. If no list of votes shall accord with their nearness to being correct. If no list of votes shall accord absolutely with the winning list the nearest to it will win the first prize, and the other prizes will be awarded accordingly. In case of a

prize, and the other prizes will be divided.

A good plan would be to vote each day, using the coupon in that day's paper. At the end of the week, if a better list can be made from all the issues, write these bargains on the last day's coupon, and be sure to get it in on time.

All coupons must be received at The Times-Dispatch office by 4 o'clock P. M., Friday, December 16th.
